## GENERAL LEGAL DISCLAIMER

---

**HIGH RISK WARNING: TRADING CONTAINS SUBSTANTIAL RISK AND IS NOT FOR EVERY INVESTOR. AN INVESTOR COULD POTENTIALLY LOSE ALL OR MORE THAN THE INITIAL INVESTMENT.**

### 1. EDUCATIONAL PURPOSES ONLY

All content, materials, and information provided by Meta Markets Capital (MMC), including but not limited to "Game Plan" sessions, "Strategic Navigation" frameworks, and digital communications, are provided for **educational and informational purposes only**. Nothing provided by MMC should be construed as financial, investment, legal, or tax advice.

### 2. NOT A FINANCIAL ADVISOR

Meta Markets Capital and its founders (including Jose) are not registered investment advisors (RIA), broker-dealers, or fiduciaries. We do not provide personalized investment recommendations. Any trade setups or market analysis discussed are for illustrative and educational purposes to demonstrate structural frameworks within various asset classes.

### 3. RISK OF TRADING

Trading in financial instruments and diverse asset classes involves significant risk. Risk capital is money that can be lost without jeopardizing one's financial security or lifestyle. Only risk capital should be used for trading and only those with sufficient risk capital should consider trading. MMC does not assume responsibility for individual financial decisions.

### 4. NO GUARANTEES OF PERFORMANCE

Past performance—whether actual or indicated by historical results—is not a guarantee of future success. Trading is inherently speculative. Meta Markets Capital makes no representations or warranties regarding the potential for profit or the likelihood of success following any educational session. You are 100% responsible for your own trading decisions and outcomes.

## 5. ACCURACY OF INFORMATION

While we strive to provide accurate and up-to-date frameworks, MMC does not warrant the completeness or accuracy of the data, charts, or analysis provided. Market conditions change rapidly across all asset classes, and information that was accurate at the time of a session may become obsolete.

## 6. EXTERNAL LINKS & TOOLS

MMC may reference third-party tools or platforms (e.g., TradingView, Monday.com). We are not responsible for the functionality, security, or privacy practices of these external entities.
